Dear Mr. Weisberg

I spoke to you on the phone a few minutes ago and because of your courtesy I am writing this letter to thank you for the information you gave me.

I am a WW II veteran who has returned to college this summer. I am attending Southern Illinois University, here in Carbondale, and by next summer I hope to receive a degree in Physical Education.

This area is devoid of all your books, this includes the S.I.U. library. I shall try to get all three of your volumes on the S.I.U. shelves.

I am thanking you again,

I am,

Sincerely yours,
Edward Dlugzynski
